Online WHS Induction Course

As part of our Habitat for Humanity's WHS compliance it is a requirement that all our volunteers complete an on-line WHS Induction course (link below). It takes around 15-20 minutes and will generate a Certificate that each volunteer will need to print and email or bring with them on their first day - this is essential, without the Certificate volunteers will not be allowed on-site.

Please register and complete the online induction ahead of the day.
