

LEAVE A GIFT OF HOPE

and help provide more safe, decent and affordable homes with a gift in your will.

Thank you for considering including a gift to Habitat for Humanity Victoria in your Will. Your gift, no matter the size, will help to strengthen our community by improving access to safe decent and affordable housing for low income families in Victoria in need of “a hand up”.

Habitat for Humanity Victoria is working to address the crisis around access to affordable housing across our community by building more homes to assist low income families living in housing stress. After you have provided for your loved ones, a gift in your Will can help us to support families in need into ownership of an affordable home. You can make a lasting gift of hope and change a family's life forever.

Your gift has the power to build brighter and stronger futures for vulnerable and disadvantaged families. We believe that a decent home is about so much more than a roof over your head and bricks and mortar. Access to stable and secure housing creates a foundation for change and generates improved outcomes in education, health, employment and lifestyle for parents and children. Over time we see our Partner families become stronger, more independent and happier as they enjoy the benefits of having “a place to call home”. We believe in the empowerment generated by home ownership.

When you include a gift to Habitat for Humanity, Victoria in your Will you will become a partner in our life changing work. You should feel incredibly proud and confident that your gift will assist low income families in need to achieve their dream of having a place to call home. You will leave a lasting gift of hope for current and future generations.

A Will is an important and very personal document. We recommend for your own peace of mind that it be prepared by a practising legal professional to ensure that your wishes are carried out as you intend. Including a gift in your Will is reasonably easy and is often done by:

- leaving a gift of a specific amount, or
- providing for a percentage of the residue of the estate to support your nominated cause after all other gifts have been made.

To support our vital and life changing work in Victoria your gift should be left to Habitat for Humanity, Australia (Victoria) Inc.(ABN 65 023 265 336) of 2/128 Canterbury Road, Kilsyth South, 3137.

Thank you for sharing our vision of creating a world where everyone has a safe decent and affordable place to live .
